THREADGOLD HOME FINDERS

We have known Ross Potter of Threadgold Home Finders for over 7 years and he was instrumental in helping us get started on our property development business. Over that time he has found many properties for us, negotiated good prices and advised us on potential selling prices and development opportunities.

Ross, however, has gone beyond the business remit and has gone out of his way to give us a personal service and advice at all times. He makes you feel as if you are the one that really matters. He has been a key holder for us when required and has shown people round our properties.

We can fully recommend THREADGOLD HOME FINDERS to anyone who is looking for the right property but don't have the time or the expertise and knowledge themselves.
